Ballarat YCW Junior Athletics begins each Friday at 5.45pm.

The first event for each age group will alternate every week.

All starting point details will appear on the age group score sheets; it is important you follow the schedule of events as these have been organised in a way to avoid long waits at event sites.

- If there are unfavourable weather conditions, rain, storms or extreme
  heat a decision on whether to run will be made at 5.00pm. The
  organising committee may make changes to the program to adapt to the
  conditions.
- Cancellations will be updated on the Ballarat YCW face-book page and twitter which can be viewed on the website
- Age for Friday night competition will be as of October 1, 2025.
- Athletes will remain in the same age group throughout the season if they have a birthday after this date. All members must register online.
- Children must wear appropriate footwear.
- Parents or helpers cannot wear footwear that could cause any damage to the track. Food or drink other than water cannot be taken past the

- fence area. We are very fortunate to be able to compete at such a great facility and we must abide by the Centre rules regarding the Track.
- Any junior who is an A.V. registered member of Ballarat Harriers,
   Wendouree or Eureka clubs will only be able to run by invitation and not able to receive championship points.

# This Track & Field season can only be successful if we get the cooperation of parents willing to help with the conducting of the night.

- Parents need to stay at Llanberris with their children as the Organising Committee cannot guarantee the safety of the children all the time.
- A club aggregate is conducted over the season, with all Track and Field results each night counting towards the end of season aggregate.
- Although we encourage all girls and boys to participate in all events for fun, only those who are able to run that distance should run the distance races.
- Children who have a medical condition e.g. Asthma should always be watched carefully.
- Parents, please remember you are responsible for your children.
- Parents are asked not to run on the track with their children as this can create stress for all concerned. By all means help the tiny tots go the right way etc. This can be done from the grass infield.

## **AVSL Competition (held on Saturday afternoons)**

- YCW has under 14 and under 16 Girls and Boys competing in the Athletics Victoria AVSL competition from 1.30pm on Saturday afternoons.
- All 12- to 16-year-olds are welcome to come along and compete for Ballarat YCW.
- You can run one week without being registered, but to score points for your team, and to be eligible to run Championships, you need to run as a registered Athletics Victoria runner.
- See Ash Rogers or Marita Rieniets for further information.
